How to Explain the Opportunity

QUALIFIER

- Are you looking for a simple home-based business opportunity?
- Do you like the idea of mail order? You know, checks in the mail?
- Do you have \$50 liquid right now?

BODY

- Let me explain this point to you. People will pay you a lot of money if you can show them how the information they are purchasing will be worth the money they are willing to pay. Think about it! Everyday you are bombarded with advertisements about "HOW TO LOSE WEIGHT" "HOW TO BE A BETTER SALESPERSON" "HOW TO RELIEVE STRESS" "HOW TO HAVE A BETTER SEX LIFE" "HOW TO GET ALONG WITH YOUR BOSS" "HOW TO INTERPRET DREAMS" "HOW TO NEVER GROW OLD" "HOW TO CONTROL YOUR ANGER" It never stops! Someone is CONSTANTLY writing and selling INFORMATION on HOW TO DO SOMETHING and they are getting RICH doing so!
- Starting a home-based business, selling INFORMATION, is probably the least expensive and easiest business you could possibly start. All you need is a advertisement in the classifieds of your local newspaper, envelopes and paper, access to a copy machine, a mail box to receive the orders for the information and of course, the HIGH DEMAND INFORMATION!
- Your next question should be— _____ (you) _____, why is the information that you have such high demand information? Why is it so valuable? O.K. let's cover that.
- (Go to Page 2 of the Sales Letter directly from the Publisher, the one with the stack of hundred dollar bills on the cover.)
- You will learn or have access to:
(Choose the points which you feel best suit the person you are speaking with.)
 1. Ways the RICH and POLITICIANS get even richer using TRUSTS and how you can do the same!
